

# THE HOSMER'S

ABOVE: SISTER HOSMER BAPTIZING HER FATHER IN JESUS NAME LEFT: HOSMER AND HIGA FAMILY AFTER SISTER HOSMER'S FATHER BAPTISM

## Just a quick update for the month

- What an amazing month we have had. Victory in the name of Jesus as Sister Hosmer was able to baptize her father in Jesus Name. This is the result of 28 years of prayer.
- A Japanese man that was baptized last month received the Holy Ghost this month.
- We are currently on Miyako Island to take care of a preaching point for a season. While we are here, we are doing small group meetings, teaching in our bible school, daily devotionals with a group online and a lot of administration with some of our discipleship course improvements.
- We seem to be in another wave of Corona Virus but it is not stopping us from gathering together at our church meetings and small group gatherings. Of course we are being careful with wearing masks etc.
- Two new small groups were started this month.
