Forth Quarter 2021

Praise the Lord! Our 4th deputation has completed and we only needed to travel 6 months. We visited 70 churches in this short time and 18 states. God had blessed us to have the opportunity to be with many churches that have been supporting us for many years. We were so happy to reconnect with them and to have the amazing privilege to share what the Lord has been doing. Some give by going, some give by giving. But we can all go to Japan on our knees! Thank you all for the continued PRAYER support. It is a bitter sweet going back to Japan. It is home, but saying goodbye to friends and family is pretty difficult. What a joy it is to have the opportunity to share the gospel message to the people in Japan. This month we will be having our Japan national conference online. Please keep the works in Japan in your prayer. The Covid restrictions are making it easier to gather together. Expecting great revival in this wonderful nation!

If possible we are asking for support for our projects. If you would kindly support in this area (even just a little) it would be greatly appreciated. Follow this link. <https://give.upci.org/p-6363-hosmer-ed.aspx>

Right: Spending a day with our grandkids. Center: Emotions were flooding as we were approaching our landing back in Japan!
