

THE HOSMER'S

LEFT: PRAYING FOR OUR MISSIONARIES AND AIMERS.

ABOVE: WHILE PRAYING IN KYOTO WE STOPPED TO TAKE A PICTURE

Just a quick update for the month

- We just finished hosting our National General Conference in Uruma city. This was our first large gathering in 3 years. What a great time of fellowship and several received the Holy Ghost.
- We took a trip into Kyoto City and Iida with Associate Missionaries

Shawn and Yuka Ward. We were doing prayer drives and seeking after the will of God for direction to do a preaching point and to follow up with a previous preaching point. We are still praying for divine direction for the will of God as we desire to launch out and advance His Kingdom.

- We are still teaching our Purpose Institute classes in semester I.
- Japanese teen was baptized in Jesus Name.
- Preparing to launch new small groups.
