

THE HOSMER'S

LEFT: ON OUR WAY TO MIYAKO ISLAND FOR A COUPLE OF WEEKS. ABOVE: OUR DAUGHTER CHRISTINA BEFORE HER OPERATION

Just a quick update for the month

- At the end of this month we finished the end of our National Conference and a couple of our family members came down with Covid. This of course put our whole family into quarantine.
- Sis. Hosmer and I traveled to Miyako Island to take care of Rev. Craig's

church while they are in the states for a couple of weeks. My wife sure did enjoy holding their son.

- Our oldest daughter Christina went into the hospital to have a partial hysterectomy to remove some cancer. The operation was very

successful and she should be getting out of the hospital very soon.

- I taught in our Purpose Institute classes on Apostolic Patterns and Methods.
