MONTHLY UPDATE - JAPAN/RYUKYU ISLANDS

Praise the Lord! What an exciting month we have had. This month started out with having several services in Okinawa. Rev. Burmeister was with us for two weeks. In that time we had two different Rallies, a Youth Rally and a special service in Nago City! God moved in a very special way.

Later in the middle of the month Bro. Hosmer traveled from Okinawa to Nagoya city. There in a smaller city of Tsu Shima we had several churches gather together for another Rally. Two were filled with the Holy Ghost.

On the same Sunday back home in our main Campus we three filled with the Holy Ghost! Just a couple day ago we just had two more filled with the Holy Ghost in Uruma City! Truly God has give us an open door. Bro. Hosmer then traveled to Miyako Island to minister to a daughter church on that island.

God certainly has been so good to us.

Currently we are in the process of revamping our new Converts / Discipleship course. It is currently in English and Japanese. We have almost

completed the translation in to Tagalog and Spanish. God is giving us an International revival and this Gospel needs to be preached to every tongue, tribe and nation.

We are making all kinds of preparations for the Southern Regional Conference. It will be hosted this year in Okinawa, Japan.

Thank you again for all your prayers!
